

The **Chesapeake Bay Governors School (CBGS)** is having their first annual **RAIN BARREL** fundraiser. The school is selling unpainted barrels with spigot for only \$40 and painted barrels (with or without motif of your choice, painted by a student) for \$75. 100% of the proceeds go to the Chesapeake Bay Governors School Foundation.

The Chesapeake Bay Governor's School provides high-ability students from the Northern Neck and the Middle Peninsula with a rigorous curriculum through enrichment, exploratory, investigative, and career awareness experiences. Through the integration of math, science, technology, and research, woven with marine and environmental sciences, students have the opportunity to foster an appreciation and respect for environmental issues.

For ordering information contact VIMS alumni Dr. Patrick McGrath at
