

Dear CBGS Families,

As a regional program – with THREE locations – it can be a challenge to gather groups of parents to keep you involved and informed. We use the Parent Advisory Council (PAC) to provide input, sometimes via email. For all of those PAC folks, but also for any parent who would like to have some time to talk with Dr. Perkins, we hold occasional meetings at sites. Please see the schedule below; and again, **all are welcome!**

Directors' Chat / Parent Advisory Schedule

Monday, February 12th at CBGS Bowling Green campus (Room 5) at 5:00 p.m.

Tuesday, February 13th at RCC-Warsaw (Room 172) at 6:00 p.m.

Thursday, February 15th at RCC-Glenns (Room 112) at 6:00 p.m.

On our agenda will be updates from the Director and time for parent input.
