

Good evening CBGS Families!

We are off and running in the second semester with a number of great events on the horizon. Let's get right to it!

VCU Science Symposium - Saturday, March 4th, 9am, VCU Student Commons

It's the summit of the CBGS academic year! Our seniors are busy making final preparations for presentation of their authentic research to judges, peers, and family members. Please remember that all CBGS students are required to attend this event. Permission slips with more detailed information will be sent home soon.

All-Site Day - Monday, April 17th, Various Locations

We are looking forward to gathering every student together for learning activities and collaboration with new peers in their grade level from the other CBGS campuses! This full day event will take place at the following locations:

Sophomores - CBGS Bowling Green Campus

Juniors - Rappahannock Wildlife Refuge - Tayloe Tract

Seniors - CBGS Warsaw Campus and [Menokin](#)

Students will depart from their CBGS campus at 8am after arriving at their usual time and will return to their campus by 5pm. More information will be coming home in the next few weeks.

Senior Night - Monday, May 8th, 7pm, Rappahannock High School Auditorium

It may still be three months away, but before we know it our seniors will be graduating and moving on to make a broader impact in the world! We look forward to celebrating their achievements as they sharpen their focus on what comes next in their academic and professional journey.

A few other dates:

2/13 - 3rd quarter interim

2/20 - CBGS Closed (President's Day)

3/4 - VCU Science Symposium

3/6 - CBGS Teacher Workday (no classes)

3/16 - End of 3rd Quarter

Thank you for your steadfast support of our students, staff, and school! If you would like to provide additional support for senior research projects or our academic programs, please consider making a [donation to the CBGS Foundation through PayPal](#).
