

Good afternoon CBGS students and families!

The third quarter is in the books and report cards were sent home earlier today. It has been an incredible year for CBGS so far, highlighted by immersive field studies, a showcase of exceptional student work at our Annual Science Symposium, and collaborative learning on labs and special projects. Here are a few things we're looking forward to before the year wraps up!

- Thurs, 3/30: Deadline to [order CBGS apparel](#) (orders delivered to your student's campus)
- Sat, 4/1: Innovation Challenge @ Dahlgren (robotics and engineering)
- Mon, 4/3 - Mon, 4/10: Spring Break
- Mon, 4/17: All-site Day - Students will be traveling to various sites by grade level to work with students from the other campuses on special projects and design challenges. Students will be back at their CBGS campuses by 3:30pm (this is a change to help accommodate student activity schedules).
- Mon, 5/1: Deadline to [order CBGS Yearbook](#)
- Mon, 5/8: Senior Night at Rappahannock High School, 7pm
- Fri, 5/12: CBGS End of Year Picnic (all students at the Warsaw campus)

Have a great weekend!
