

Good evening CBGS Families,

Buds are popping and the birds are chirping! Here are a few reminders and updates for the weeks ahead as spring will quickly accelerate toward the last day of school!

### **CBGS is Hiring!**

We are currently seeking applicants for a math instructor. Please feel free to [share this vacancy announcement](#) with anyone that might be interested in joining our team.

### **Third Quarter Report Cards**

Will be sent home with students this Friday, 3/22.

### **Spring Break**

March 29th - April 7th. Enjoy it!

### **Campus Safety**

Student safety is the top priority of every teacher, parent, bus driver, and staff member at CBGS and our 14 participating divisions. One essential aspect of our safety plan is to account for every student in their transitions between CBGS and their high school campus. If there are any changes to your student's daily routine or transportation, please make sure that it is communicated directly to the site administrative assistant at your student's campus.

*The King and Queen Alpha Team earned 2nd place in their mousetrap car design at the Physics Olympics.*

*Warsaw juniors making observations of reactions in chemistry.*

*Bowling Green seniors designed phytoplankton in a competition to see which could sink slowest.*
