

Good morning, CBGS families!

I hope that everyone has been able to enjoy the sites, sounds, and smells of the great outdoors this summer! And while you're out there, don't forget that the summer is an excellent opportunity to accumulate some volunteer service hours toward your gold cord at graduation (60 marine and/or environmental service hours, 120 service hours in total)!

- The summer assignment for our reading of [\*Not the End of the World\*](#) by Hannah Ritchie can be found [at this link](#).
- We are almost fully staffed for the 24-25 school year. We are currently searching for a Physics teacher for the Glens and Warsaw campuses (one position that serves both campuses). Candidates can apply [at this link](#).
- The 24-25 CBGS calendar can be found [at this link](#). Please note that new sophomores start on August 12th; juniors and seniors start on August 14th.
- The 24-25 field study calendar will be sent out by the end of next week, which will include dates for overnight trips by grade level.
