

Good afternoon, CBGS families and stakeholders!

Many thanks to all the students, families, principals, counselors, teachers, bus drivers, and everyone else that helped make a successful first week at CBGS! We're incredibly excited to get back into gear with our returning and new students. Here is the [Welcome Back video](#) that debuted for them this week.

Please make sure to mark your calendar for our [field studies calendar and other events](#). The first one hits next Friday, 8/23, as we will be getting our students together at the Warsaw campus to connect the dots across all three campuses.

Have a great weekend!
